ABOUT NIOTEC

HAMBURG HQ

NIOTEC is a service partner for technical ship, industrial and offshore equipment and a service partner for alternative solutions in technical project management.

GROWTH

NIOTEC stands for innovation, quality and sustainable growth. Since our founding, we have continuously expanded our market position, acquired new customers, and successfully broadened our product portfolio.

GLOBAL

NIOTEC operates successfully internationally and serves customers in numerous countries worldwide. With strong partners in local locations and a global network, we combine regional proximity with international expertise.

OWN DESIGNS

Aside from technical spares and complete units, NIOTEC also has own products in the portfolio which have been widely used in the industry. Products such as composite pump impellers with a substantial longer life time.
